

THE GREATER LEWIS COUNTY FARMERS MARKET ASSOCIATION IS A COOPERATIVE OF LOCAL FARMERS, PRODUCERS, AND ARTISANS.

Our mission is to promote a healthy food system through the tradition of agriculture by providing a community gathering place for local farmers and artisans to sell their products. By bringing people together for a farmers market, we promote education, a greater sense of community, and local business development.

HOW YOU CAN MAKE A DIFFERENCE

By donating to the Community Farmers Market of Chehalis, individuals & organizations show a shared commitment to fostering an economically, ecologically, and socially sustainable community. Your contributions will go directly toward our programs, infrastructure, and operations. CFM will put your gift right to work for our food system & community!
